

French Menu for Coffee-ology

July 15th – 31st

French Onion Soup

\$4.50 bowl / \$3.50 cup

Rich beef broth and slow-simmered onions combine for a satisfying soup topped with a large "crouton" covered with cheese.

Strata Therese \$3.50

A traditional layered "cheese fest" from the countryside of France! Bread, cheese and eggs baked together, this is enough for a light meal.

Monte Cristo Sandwich \$5.75

Turkey, ham and Swiss cheese between French-toast battered bread slices that are then put on the Panini grill. The addition of a seedless raspberry dip takes this sandwich over the top!

Quiche Lorraine \$7.25

Flaky pie crust filled with eggs, Swiss cheese, and bacon baked to creamy, savory perfection. Served with a "tres Francais" salad of shredded carrots.

Roasted Pear Tart \$4.50

The flavors of almond, pear, apricot, and butter...these individual tarts are addictive so order two! They have a crisp sugar pastry base that is spread with frangipane and topped with a roasted pear half then sealed with apricot glaze.
