PRESIDENT'S MESSAGE

"The richest person in the world - in fact all the richest in the world - couldn't provide you with anything like the endless, incredible loot available at your local library."
Malcolm Forbes

It was amazing to see how many people of all ages were all over the library this summer. The parking lot was always full. Our community children had a wonderful time with all of the activities planned for them. I am still hearing about the great success of the Harry Potter evening. Aren't we fortunate to have the most loved and talked about library in our region?

I am so honored to have been asked to serve as the President of The Friends of the Hoover Library this year. We have such a super group of individuals who have agreed to serve as your officers and committee chairpersons. There has been so much work done during the summer with the yearbook, the budget, the sorting and stocking of the incoming books for the

(President’s Message continued from page 1)

with the yearbook, the budget, the sorting and stocking of the incoming books for the bookstore, and the preparation for the first newsletter of the year. I am extremely grateful to all of you who have played a part in these tasks.

This year we will be reminding you of our meeting dates by using CALLING POST. This is a program that will post all of the dues paying members and send a recorded message prior to each meeting from me. The message will be left on answering machines if you are not at home, or keep calling the number until someone answers. New member’s names will be added as they join.

Just a reminder to donate your used books to our Friends Bookstore. Come by for a visit, bring a friend, and buy a few of the books for some really good reads. This is our fund-raising project, and we want to keep a good thing going. I look forward to seeing you at our September 12 meeting.

Bookstore Notes from Freida Bearden

Our bookstore continues to be a source of pride to the Friends and we’ve worked hard to make it so. My special thanks go to our sorting and stocking committee who are responsible for keeping the donations organized and our shelves stocked. Thanks also to our volunteers who staff the store and help in many ways.

In addition to books inside the store, our half-priced books in the Plaza continue to be very popular with our customers. Also, when you are organizing your donations, don’t forget CDs and DVDs.

I have to thank Sue Simpson for her tireless work in keeping the store staffed; that’s a hard job and she does it so well.

As Barbara Lyons recently mentioned to me, “Come by and buy.”
