

Hoover Public Library Computer Classes

Introduction to the Internet

PREREQUISITES:

- Intro to Personal Computing

This class is designed to acquaint you with the Internet. It covers an introduction to the World Wide Web and how to search for information quickly and effortlessly.

The class includes a demonstration of a browser's basic features, along with guidance on how to evaluate web sites.

The class also teaches how to search for information on the net, as well as considerations for protecting yourself and your computer from viruses and other malicious software.

The class is free of charge and designed for all library users *new* to the Internet.

Class size is limited.
Reservations required.
Sign up at the
Technology Hub or call
444-7747.
