Reading Online in Your Browser

1. After clicking START READING, you will be directed away from the library's site to the Zinio.com viewer. Here you will also need to create a Zinio.com account by using the same email and password you used for your library Zinio account.
2. After logging in to Zinio.com, the YOUR LIBRARY tab will open with your selection of checked out magazines.
3. Click on a magazine cover to read the magazine.

Reading on Your Mobile Device

1. Access your device's app store to download and install the free ZINIO FOR LIBRARIES reader app or click on the link provided at the bottom of the library's Zinio page. Use the same email and password you used for your library Zinio account.
2. Open the app and read your checked out magazines.
3. Note: Zinio apps are for reading only. You must use a browser and return to hooverlibrary.org to check out additional magazines on the library's Zinio page.

Managing Your Account

Use the ACCOUNT SETTINGS of your Zinio.com account to select your preferences.

To remove magazines from your account, log in to your Zinio.com account. Click on the trash can icon on the magazine you wish to delete. Click "yes" to the pop up message that asks if you want to delete that issue.
